

Document Management Solutions

Less Paper. Greater Productivity. Lower Costs.

Paperless offices run better, cost less and boost productivity. Plus they save trees and send less waste to landfills.

Document, Transaction and Fax Managers from CoreLogic MarketLinx[®] provide simple, intuitive platforms to digitize, share and manage documents online. All with maximum security and protection.

Benefit from seamless MLS integration, and streamline your workflow and processes so you work smarter, not harder. Plus, our products deliver real savings (less storage and postage), help ease compliance worries, automate document-related processes and improve customer service.

Document Manager

Seamlessly manage every phase of the real estate transaction. Protect and preserve important documents and files. Give your members—and the buyers and sellers they represent—something more.

More Protection

- ▶ Flexible document security
- ▶ Support for compliance and auditing requirements
- ▶ Secure online storage environment

More Automation

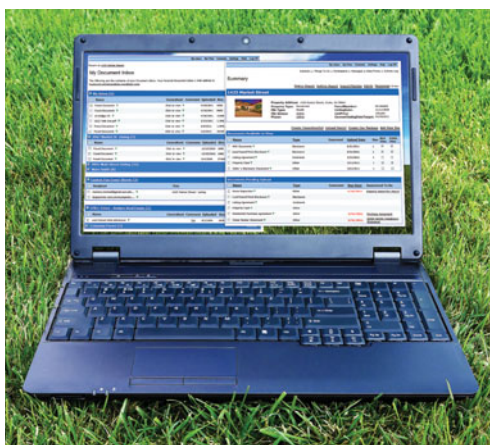

- ▶ Auto-notifications of required documents via email/fax
- ▶ Automated, branded customer communications with status reports
- ▶ Uploads via fax, email, scan to email, direct upload, bulk fax/scan

More Organization

- ▶ Centralized communication and storage sites for each file
- ▶ PDF document packaging
- ▶ Built-in archive capabilities

The Bottom Line

- ▶ Easy to access via existing MLS system or intranet
- ▶ Intuitive interface
- ▶ Simple upgrade path to Transaction Manager, seamless integration with Fax Manager

Transaction Manager

Automate and streamline the entire transaction process—from listing to close and beyond. Give your members all the management features they want and need, including complete vendor management and service ordering capabilities.

Task and Participant Management

- ▶ Template-based task checklists auto-calculate important due dates
- ▶ Selective user access to available functions and service ordering
- ▶ Schedule, track and manage all transaction details—anytime, anywhere

Service Ordering and Vendor Management

- ▶ Vendor Enrollment—Enroll vendors from within the application or via an externally accessible form
- ▶ Easily send and receive service orders 24 hours a day via fax or email
- ▶ Electronically accept orders and receive online status updates

The Bottom Line

- ▶ Increase productivity with task management checklists
- ▶ Improve file management and control
- ▶ Create an exceptional customer experience
- ▶ Seamless integration with Fax Manager

Fax Manager

This simple solution provides your members with a cost-effective way to digitize, store and email documents. Stay on top of required paperwork with easy document uploads through fax machines.

Members appreciate improved client communication and accelerated transactions. Clients appreciate the chance to receive important paper documents digitally. Best of all, you'll save money on courier, overnight and mail costs.

Efficient. Eco-friendly. Economical.

- ▶ Reusable, bar-coded coversheets for faxing documents
- ▶ Personal and shared office inboxes
- ▶ Document transmission and receipt through a single inbox

The Bottom Line

- ▶ Complete integration with Document and Transaction Managers
- ▶ A safe, reliable way to exchange, organize and store documents
- ▶ Eliminates document scanning and electronic faxing costs

Our fully integrated solutions can be used together, or as standalone products. Start with Fax Manager and expand into Document and Transaction Managers, or combine all three to create a paper-free, eco-friendly office today.

Save time. Save money. Help save the environment. Go paperless today!
