

Answer Real Estate Inquiries on the Go!

Did you know that 78% of Internet consumers select the first REALTOR® that responds first? With MarketLinx Wireless, your members have instant access to MLS information and market updates **from the convenience of their mobile phones.**

New, Improved, and Better Than Ever – MarketLinx MLS Wireless Includes:

Robust Wireless MLS Feature Set

- ▶ **Today's Activity.** With a single click, generate market update reports on demand. View new listings, price changes, status changes and recently sold properties.
- ▶ **Quick and Full Search.** Search listing information and access critical property details including DOM, public and private showing remarks, showing instructions and MUCH MORE!
- ▶ **NEW! Maps and Multiple Photos.** Locate the property on Yahoo! Maps including driving directions. View all interior and exterior property photos associated with the listing.
- ▶ **NEW! My Searches.** Easy to use shortcuts give quick access to frequently used searches and high priority listings, including your member's own active listings!
- ▶ **Roster Search.** Find contact information for any agent or office and instantly initiate phone calls or email from within the contact record.

Industry Leading Technology

Full Customization. Search criteria, listing detail displays, and email displays are all customized to your requirements.

Quick Setup, and Easy to Use. Simple online signup process and unified log-in with MLXchange and TEMPO eliminates the need for multiple usernames and passwords and enables your members to immediately start using the service.

Device Choice. .NET mobile web-based application ensures broadest range of device compatibility.

No Downloading or Syncing. Data access through your RETS interface ensures real-time data queries.

Complete End-User Support

Responsive and Friendly Support. Live toll-free and e-mail support from 10:00 AM to 7:00 PM CST Monday through Friday.

Online Knowledge Base. 24x7 access to online customer support resources.

With MarketLinx Wireless your members will win *more* business by quickly and professionally responding to buyers and sellers with the information they need, wherever they are and from wherever your members are.

Pricing

The site license costs \$6,950 to set up, plus \$6.95 / user / month up to a maximum of \$6,950 / month. A minimum of 200 users is required.
